

CHWA Awards 2025: Artist Commission

We would like to commission an artist based in Derby or Derbyshire to create the bespoke physical awards for the winners of the CHWA Awards 2022.

We are looking for an artist to respond creatively to each of the award categories (Collective Power, Practising Well and Healthy People and Planet), creating 3 new artworks that reflect the themes and celebrate the creativity, curiosity and commitment of people working in the creative health sector.

We are particularly interested in hearing from underrepresented artists including those from the global majority and those identifying as D/deaf, disabled or neurodivergent, and early-career artists.

For more information and to read the artist brief and listen to audio descriptions, please visit the CHWA website:
