## Visual Story

Welcome!

Welcome to Making Change: The Culture, Health & Wellbeing Alliance national conference in Barnsley. This pack contains pictures and information to help you find your way around.

If you have travelled by train, you will arrive at the main station, Barnsley interchange.

Both our host venues are just a few minutes away.

On Wednesday and Thursday, we will be based at The Civic. On Friday, we will be based at Parkway Cinema.

[Here is a video](#) which shows you the route to The Civic from Barnsley Interchange.

[Here is a video](#) which shows you the route from the nearest car park.

If you come out of Barnsley interchange station and look right, you should see Parkway Cinema, opposite Age Concern.

One of our team will be at Barnsley Interchange on each day to direct you. They will be wearing a t-shirt with this logo.

When you get to the Civic, please enter through the front doors. From there, you can take the stairs or the lift to the Panorama on the first floor.

This is where you will sign in with a member of the CHWA team, and where food and refreshments will be served during the breaks. There are also accessible toilets on this level.

Main panels and some breakouts will happen in the Assembly Room.

Doors will remain open – please feel free to take comfort breaks as you need to.

If you feel overwhelmed or need to just some time out, there is also a quiet space and prayer room just off the Panorama available to all attendees at all times.

There are three other rooms in Barnsley Civic which we are using for breakout spaces.

## Room 305 – First Floor

## Creation Room – First Floor

## Hanson Room – Ground Floor

Breakouts are also being held at Digital Media Centre, Cooper Art Gallery, Lightbox @the Library and Barnsley Town Hall.

All these venues are just a few minutes' walk from the main venue.
